Ein Unternehmen sucht nach Distributoren

K/4_23/10/19

We are manufacturer of electronics devices, mainly smartwatches. On Polish market we are present for about 5 years. With about 30% of market share, our products can be found in al the major retail networks such as Euro RTV AGD, Media Expert, Neonet, Media Markt etc. and most of online shops that sell electronics.
As for now we are looking for international distributors who could help us introduce our products to foregin markets. We are also looking for people who could help us in coordinate specific foregin markets.
